Tetra Tech, Inc. (Tetra Tech) is conducting a Phase I Environmental Site Assessment (ESA). This investigation is being conducted in order to identify evidence of any recognized environmental conditions (REC) that may have an adverse environmental impact upon the subject property. Tetra Tech's client is requesting a due diligence investigation. According to ASTM Standards E 1527-13, property record reviews are required prior to completing this investigation.

Tetra Tech is requesting any records you may have concerning the properties of interest detailed in letters attached to this email. Any assistance from your office would be greatly appreciated. If you have any questions or concerns regarding this request or if you need additional information to assist with your record search, please feel free to contact Adam Peterca via phone at (440) 897-9880 or email at [adam.peterca@tetrattech.com](mailto:adam.peterca@tetrattech.com).
